ABOUT ME

• Sabari N

Expected Graduation: 2026

Aspiring Software Developer

- Second-year Engineering student currently pursuing a Bachelor's degree in Computer Science.
- Proficient in general purpose programming languages including Java, C/C++, Python, and JavaScript.
- Experience working in Unix/Linux environments and with data structures, algorithms, and software design.
- Completed projects in web development, and participated in hackathons and coding competitions, showcasing skills in full-stack development and teamwork.
- Keen interest in exploring fields such as distributed systems, machine learning, and security software development.

EDUCATION

• Sri Krishna College of Engineering and Technology

2022-2026

B.E Computer Science(Cyber Security)

CGPA: 8.43

• Sri Vijaya Vidhyalaya School Dharmapuri.

2022

Board of Higher Secondary Education, TamilNadu

Percentage: 94

• Bharathi Vidhyalaya School Dharmapuri.

2020

Board of Secondary Education, TamilNadu

Percentage: 99

PERSONAL PROJECTS

• Gym Fitness App

A platform for accessing gym services remotely

- Technologies used: React.js, Spring Boot, SQL, REST API, Java
- Developed personalized workout plans, live classes, progress tracking, nutrition guidance, community engagement, and subscription management features.

• Fake Product Detector

An application to authenticate product authenticity

- Technologies used: Blockchain, React.js, Spring Boot, SQL, REST API
- Implemented blockchain for secure and transparent product verification.

TECHNICAL SKILLS AND INTERESTS

Technical Skills:

- Data Structures and Algorithms in Python, CPP, and Java
- React JS
- Node.js
- Spring Boot
- SQL
- Linux
- AWS, Docker, and Git

Soft Skills:

- Design thinking
- Problem solving
- Leadership
- Communication
- Teamwork

Field of Interest:

- Software Development
- DevOps

Hobbies:

- Photography
- Video games
- Cooking

CERTIFICATIONS

- **C++ For Beginners** ,By Infosys Springboot
- **Java For Beginners** ,By Infosys Springboot
- **Python Data Structures & Algorithms** ,By Udemey
- **Learning React** ,By Infosys Springboot
- **Spring Boot** ,By Infosys Springboot
- **Introduction to Cyber Security** ,by Cisco
- **AWS Foundation Certificate**

ACHIEVEMENTS

- | | |
|---|------------------------|
| • KSP Hackathon Finalist KSP Hackathon | <i>Finalist: 2024</i> |
| • NTPEL Certification -Data Privacy and Privacy Management | <i>Completed: 2024</i> |
| • NTPEL Certification -Soft Skills | <i>Completed: 2023</i> |
| • 1st Place in Tech Ventures -SRM Tech Xplore | <i>2023</i> |
| • ICT Learnathon -SRM Tech Xplore | <i>2023</i> |
| • UIPath Certification -UIPath | <i>Completed: 2023</i> |
